Note: Answer Two Questions. Question ONE is Compulsory

Question One: (30%)

Write a short essay (four pages maximum; double space) on the use and misuse of Information Technology (IT) in the Muslim World. Your essay should clearly include the following points:

- A) The title of your essay (6%)
- B) The rationale for writing this essay (6%)
- C) Underline three (3) objectives related to the topic (6%)
- D) Organization of your essay (6%)
- E) Academic writing style (6%)

Question Two: (20%)

Why research methodology is essential for the fields of humanities, particularly at the academic Islamic institutions? Write a short analysis (maximum two pages) expressing your personal opinion and justifications.

Question Three: (20%)

For thesis's research, the methodology is the most important component for evaluation, to test the originality of the research taken and tasks followed. What do we mean by "Research Methodology", and what are the tasks (methods) that need to be taken for a reliable research proposal.
